

OVER 40?

YOUR ROUTE. YOUR RULES.

Your destination may be closer, but the choices and turns are still yours to make. Think less guesswork, more grip.

There's still time to top up your pension pot, and make a difference to your future savings. Small changes now could bring big rewards later.

DOUBLE UP:

Michelin matches your Additional Matched Contributions (4% if you earn over £50,270).

WINNING WINDFALLS:

You can use pay rises or bonuses to give your pot a boost.

BE IN THE FAST LANE:

A bigger pot means more lifestyle choices and financial control later down the line.

CONFIDENTLY CATCH UP:

Tax relief means contributions cost you less because they're taken out of your pay before tax is calculated.

CRUISE CONTROL:

Take pressure off your future self with action that sets you up for success today.

ADD MORE FUEL TO YOUR FUTURE.
